1. QUALIFYING TRANSFER: For a consumer money transfer to qualify for the subscription discount as part of the Subscription Plan it must be sent from the westernunion.com account of a participating customer with a valid promo code. The send location of the transfer must be the United States using any of the payment methods westernunion.com allows. The receive location can be any location westernunion.com sends to using any of the pay-out methods westernunion.com allows. Any amount up to \$2,999 can be sent as part of the Subscription Plan. The Subscription Plan does not place a limit on the number or frequency of transactions that can be sent by the participating customer, however Western Union reserves the right to limit frequency and number of transactions per rules and regulations. This discount only applies to money transfers, not online bill pay.

2. DISCOUNTED TRANSFER FEE TRANSACTION: Customers who sign up for the subscription plan receive a discount on each qualifying transfer they send during the subscription period. Without signing up for the Subscription, customers pay Western Union a fee for each Service transaction at the applicable fee then in effect (the "Transfer Fee"). By using a promo code, the applicable Transfer Fee for Your transaction will be provided when you set-up your Service transaction, and directly below the Transfer Fee you will be credited a discount equal to the amount according to the subscription plan selected during sign up, resulting in a discounted Transfer Fee transaction. In some cases, You may add additional services for additional fees.

3. Western Union also makes money from currency exchange. When choosing a money transmitter, carefully compare both transfer fees and exchange rates.

4. PAYMENT: In consideration for the Subscription, You agree to pay to Western Union a fee for the subscription itself. You can pay using your bank account, a debit or credit card, or WU PAY. You will be invoiced for the subscription fee within 30 days of signing up and the fee is due upon receipt of the invoice. To pay bills with WU PAY, you must instruct your bank to pay WU PAY using your bank's online bill pay functionality and the payment instructions provided on the WU PAY website. Western Union generally receives funds from your bank account within 1-3 days after you instruct your bank to pay WU PAY. If Western Union does not receive funds from your bank account, the transaction will not be processed and Subscription pricing will not be available to You. Your bank may charge a fee for the bill pay service. Your agreement with Your bank governs use of Your bank account, and You must refer to that agreement to ascertain Your rights and liabilities as an accountholder. For each transfer sent during the subscription period You will pay the applicable fee based on the amount sent, and payment method used. Standard westernunion.com terms and conditions for online money transfers apply.
